Last Meeting's Speaker: Mani Kwok The Seeds of Art Charity Foundation

Seeds of Art Charity Foundation Honorary Director shared her over 20 years journey of Charity work. Mani Kwok shared her own story and how she joined Seeds of Art Charity Foundation. SOA is entirely volunteer based. It started when the Founding Chairman started to bring art and drawing to distant, isolated schools, and discovered that the school kids are deprived of some things we enjoy and take for granted. She started helping by carrying used clothing across the border to bring to the students.

SOA subsequently branched out, and had the community helping the community through

distributing food, suppliers and appliances to families and individuals in need.

What is Rotary?

Rotary is a global network of 1.2 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

Solving real problems takes real commitment and vision. For more than 110 years, Rotary's people of action have used their passion, energy, and intelligence to take action on sustainable projects. From literacy and peace to water and health, we are always working to better our world, and we stay committed to the end.
