Moving Online in the Year of the Tiger

Since January 19, 2022, our club had started conducting all meetings online. We certainly miss seeing each other, but on the other hand, as a silver lining, we are also opening doors, as there will no longer be a distance barrier in online meetings.

On our January 19 online meeting, we are very happy to have Rotary-Ann Sally join us. Rotarian Eric Poon was also able to join us from an outdoor environment.

On our February 9 board meeting, DRR Luffy joined us online and presented his summary and plans.

On April 20, we will have a speaker from Macau who is doing a lot to bridge the youth population with the government there.

On the other hand, most offline activities and service projects needs to be postponed:

- Rotary Day had been postponed to 22 May Sunday from 9am to 5pm
- We will not be doing Four Clans meeting this year
- Photo Competition service project will be postponed to July 1st
- Gifted Green Education Program service project will be postponed until further notice
- Junioract Club service project which we planned to co-organize will be postponed until further notice

In this time where social distancing measures need to be observed, let Tung Fung be the medium to bring us closer.

We shall continue to explore other ways to serve, through online programs like Virtual Rotary Exchange. District and RI are also actively exploring different ways to serve and engage online. We shall keep all posted on any good ideas we would like to explore with.

Yours in Rotary,
Bernard Lee
President, 2021-2022

THE ROTARY CLUB OF HONG KONG ISLAND EAST

香港東區扶輪社週報

Club 16340 District 3450 Chartered on 06 April, 1954 by
Charter President PDG (Uncle) John Yuen

Greetings from our Newest Member, Eric Poon

New start in the Tiger Year,
No more of the Covid fear,
Best wishes coming true I hear,
Delighted to see you soon my dear!

Greetings from Hong Kong Gifted Education Teachers' Association

Just before the tightened measures of social distancing, HKGETA managed to hold their annual dinner.

As token of appreciation of our invitation to Ronnie Yeung, Chairman to share his works on gifted education to our club, and for co-sponsoring children in need towards Gifted Green Education Program with the Embassy of South Africa, a Gifted Education Award had been presented to our club by Professor David Hui, Government pandemic advisor.

Professor Hui also gave a very educational and informative talk that day. PDG Jason Yeung was also a guest of honor at the event.

Happy New Year! Wish every-
one good health, prosperity,
happiness, and all the best in
the Year of the Tiger

Toasting in Regular Club Meetings

Recently in RI D-3450, there has been wide discussion on toasting at the end of a Rotary meeting: its necessity, format, wordings,

Toasting is not a must. Yet, if a Club desires to proceed with it, such should be done seriously and solemnly.

A suggested script is:

“Next on the agenda is to close today’s meeting.

Could I invite you to be upstanding and join me to drink a toast to Rotary International (RI) coupled with the Rotary Clubs of A, B, C,.... , and of course, the Rotary Club of Hong Kong Island East.

Cheers! I declare meeting adjourned”

Courtesy demands that RI come first, then the visitors, and finally ourselves. If we adopt the style of mentioning every Club represented, do so in their full name and ensure some sort of order with none left out. It certainly is a good test for the Club President!
