Guest of P Rico : Dr Kevin Lau, Daniel Lau
Guest of PP David Li: Christian Li

President Rico declared the meeting open and we all stood for Rotary song. After club announcements, Christian Li was invited on stage for sharing.

Dr. Kevin Lau was the speaker of the day. He shared data and opportunities from the Regional Comprehensive Economic Partnership (RCEP) and the Greater Bay Area.

Research indicates that the Greater Bay Area has high development potential growth rate than that of other major economic zones. Recent policies allow selected hospitals in Mainland China to prescribe treatments previously only available in hospitals in Hong Kong. Where the opposite is receiving less attention, Dr. Lau believes that certain

procedures and practice especially in the medical research field will make its positive impact to Hong Kong.

Medical coverage rate in Hong Kong is still relatively low, and that in Mainland China is even lower. China's medical industry market size will be hitting 10 Billion USD in 2023, with 11% compound annual growth rate. Digital health services in particular is expected to prosper and provide ample business opportunities.

PP Leo Yu gave the vote of thanks.

We enjoyed our lunch fellowship. Sergeant At-Arms HS Bonnie announced our red box of HK\$1,300. We all rose to our Toast and President Rico rang the bell to close our meeting.

Rotaract Installations

District Rotaract Installation Ceremony was held on 24 July, 2022. PP Leo Yu went with DG Norman Lee and spouse Isa to support our Rotaractors.

The event was held at the Auditorium, of the Hong Kong Federation of Youth Groups Building and branded as Gala Premiere.

The Club Installation of the Rotaract Club of Hong Kong Community College Student's Union was held soon after, on 27 July 2022. President Rico Fung, PP William Wong, PP Leo Yu, and IPP Bernard Lee were there.

As a tradition, all board members marched in with rhythm before the installation ceremony, and then again on stage afterwards for pinning by the President of their Mother Club - RCHKIE.

DG Norman Lee delivered his congratulations online, while CP Jimmy Lau (RC Star Avenue), President Rico, IPP Merlot Yeung (Rotaract Club of HKIE) and IPP Betty Keung (Rotaract Club of HKCC) gave their words to the Rotaractors on stage.

A behind-the-scenes video of the Rotaractors preparing for the installation ceremony was shown, followed by a spirited dance performance delivered by this year's board members, with IPDRR Luffy Chan appearing as special guest for a grand finale.

Rotary Information - Installation Ceremony
