## Annual General Meeting 2022

President Rico Fung was elected as President for one more year. Rtn Bonnie Yeung will be President Elect for 2023-2024.

Directors for 2023-2024 will be as follows:

- Rtn Bonnie Yeung - Honorary Secretary
- PP Gilbert Fung - Honorary Treasurer
- Rtn Vagman Wai - Club Administration
- PP Leo Yu - Membership
- Rtn Eric Poon - Community Service
- PP William Wong - International Service
- IPP Bernard Lee - Youth Service
- Rtn Sharon Lam - Fellowship

Since the number of Board vacancies equalled the number of candidates, no voting was necessary. Chair positions will be announced at a later date. The candidates were elected en bloc.

Our auditors, S.C.To & Co., had been re-appointed for another year, proposed by PP Gilbert Fung and seconded by PP Henry Chan, and this was accepted by all.

President Rico spoke. He would continue to support DG Norman and to lead our club. The Incoming Board will work together in the upcoming 'big year', so the story of HKIE will continue. We will also recruit new members, connect with our daughter clubs, and visit other clubs in Hong Kong.

2023-24 President Elect Bonnie Yeung then spoke.

The red box amount was HK\$2,650. There being no AOB, the AGM was closed 1:53pm

## Incoming Speech by 2023-2024 President Elect Bonnie Yeung

Good afternoon PDG YK, PP George, past presidents, fellow Rotarians and guests,

First of all, I would like to thank the Club for the honour for selecting me as the President Elect for the Rotary year 2023-24. As I stand here before you today, I am indeed honoured to be given the opportunity to serve in this capacity. And you have my sincere assurance that I will be dedicated to the cause of Rotary in this role, the same way I have demonstrated my commitment over the past 2 years since I was inducted into the club in January 2021.

I want to thank President Rico and all board members and chairs for the excellent help and advise that you have given me in helping me as Club Secretary this year. It is definitely a learning process for me and a rewarding journey.

I have only been a member of RCHKIE for 22 months and I recognise that this is not much compared to the membership of other members of the club. I have enjoyed the fellowship,

the community service, and the public speaking skills that it gave me, with some mistakes made sometimes! My sincere apology!

It was through Simon Ng, my sponsor, that I became a Rotarian. I joined for the opportunity to continue community services, for fellowship and for networking.

It is with great pride and my sincere gratitude that I have your support and confidence in my leadership to carry out my vision as your President Elect.

Thank you for your support, and Thank you for your confidence!

I want to conclude by taking a quote from a Past President :

Vision without action is only a dream, action without vision is only passing time. Vision with action however, can change the world.

Let's Imagine Rotary!!! Thank you very much!

## First Board Meeting, Junioract Club of CCC Kei Wan Primary School (Aldrich Bay)

The Junioract program is at its second year with our District. This year's board members, like last year's, were nominated and selected by teachers from Primary 5 and Primary 6. The first board meeting was held on 12 December, 2022.

New Board members introduced themselves, followed by video sharing of past board members. Teacher advisor Christie Kwok also shared public image activities promoting the program from last year.

“Living hand in hand carnival” will be planned after the Easter holidays this year. Students will come up with more icebreaker games, fun activities, and finally magic show and musical performance hopefully in person. RCHKIE will help identify potential service targets where children of similar age groups who are in need will be able to benefit from this event of positive energy.

Vice Principal Jimmy Kwok hoped this will become a signature project of the Junioract program in the school.

### Rotary through the eyes of Animation

IPP Bernard Lee created a short presentation, "Rotary through the eyes of Animation", which was first shared to the new board members of the Junioract Club of CCC Kei Wan (Aldrich Bay).

Disney animations as well as more classic cartoons and comics had long since focused on good virtues, which had been well represented by Rotary's 4 way test.

Rotary's focus on Diversity, Equity and Inclusion this year had also been vividly painted by the day to day lives of well known comics, such as Peanuts and Doraemon.

### Boat Fellowship - 4 December 2022

It was an enjoyable boat trip, where we had good food and fellowship over the scenic waters of Hong Kong and at Cheung Chau.

### An evening at District Management Committee (DMC) Meeting
