PP Stacy Ho led the celebration for May birthdays.

PP Jonathan Lamport introduced our speaker, H.E. Naser S Alghanim, Consul General of the State of Kuwait.

H.E. Alghanim introduced the geography, economics, industries, challenges, Government trade policies and development of the State of Kuwait in relationship to the Middle East. Rotarians are particularly interested in the cultural etiquette and things to be aware of while travelling and conducting business in the Middle East.

DGN Nigel Lo gave a vote of thanks to our speaker.

President Rico led the banner exchange among the clubs.

DG Norman Lee presented our club banner and souvenir to H.E. Alghanim and gave closing remarks to the 4 Clans meeting. He encouraged all to do more exchanges among clubs and also internationally.

Photo sessions and fellowship continued into the night after President Rico declared the official meeting closed.

This year's District Conference was indeed remarkable. The number of participants was very high, and it brought together Rotarians from Hong Kong, Macau, Mongolia and Guangdong Province. It was a wonderful experience as it was the first District Conference after three challenging years marked by the pandemic.

It was an honour to meet the RI President's Personal Representative TRF Trustee Larry A. Lunsford in person. He thanked District 3450 for all the great work we have done for our local communities and those around the world.

Dr Y.K. Pang, GBS, JP, Chairman of Hong Kong Tourism Board was the Keynote Speaker on Day 1. His topic was on 'Striding Forward in a Steady Recovery'. He shared with the audience his view in actively promoting Hong Kong as a world-class travel destination around the world to maximise the benefits of tourism for the Hong Kong economy and the community at large. It was very exciting to watch the new 'Explore Hong Kong' video clip which will be released to the public very soon. What would be a better way to promote Hong Kong to the rest of the world than by the ambassadors of different countries to their own nations!

I joined the Membership Breakout Session on Day 1 and received some very useful information and tools that can be implemented to our Club. A Meaningful Club Experience Does Matter to Membership Recruitment and Retention.

— Rtn Bonnie Yeung

The district conference was a great success. I was particularly impressed by the speech made by TRF Trustee Larry Lunsford. As Larry put it so eloquently, we in Rotary are like a box of crayons. When we get together, the picture is complete.

— Rtn Jason Chiu
