PDG H.W. Fung shared on his topic, “Why is Rotary Attractive”. He started with a picture of him in 2011 when he retired as Commissioner for Census and Statistics. His job called for high integrity, which is also a core value in Rotary.

Everyone was brought to Rotary by someone important, and in PDG H.W.'s case it was PP Anthony Espina of RC Metropolitan Hong Kong, an outstanding role model for him in Rotary.

The Four Way Test reflects the ethics and values of his professional requirements. Once he was summoned to go to Geneva to talk about China's entrance to the World Trade Organization. Seeing how different countries had opposing views on the import and export numbers, he was inspired by Rotary to step up to present his views and possible solutions to the leaders from different countries in reference to the Four Way Test. He made friends and gained respect.

PDG H.W. started club service through contribution in planning and liaison with Clubs, District and RI to maximize impact leveraging modest budgets. He shared two examples, the Mega Water Project in Shaanxi province from 2012-2017, which gathered 13 Districts and 113 Clubs and raised US\$330,000, and the Organ Donation Project, which brought him to know Alvin Roth, Nobel laureate, who shared his ways to do matches with only 2% fall out rate. Both projects brought him satisfaction from achievement on top of personal development.

He also shared how he integrated his life and interest with Rotary as he moved forward to become District Governor, and encouraged all of us to build our own stories to tell from Rotary.

Rtn Chris Wang gave the vote of thanks to PDG H.W.

Sergeant-At-Arms PP William Wong reported the red box amount of HK\$1,660.

Happy Birthday to our Splendid October Birthday Members
