We celebrated President Bonnie Yeung's birthday and she shared with us recaps of this year's District Events.

First was the Taipei Institute. Rotary is a 'bottoms up' institution where a large part of the magic of Rotary happens in the clubs. Rotarians always have the heart to support others, and the public image puts a spotlight on our work. RI President Stephanie Urchick said Hong Kong, Macau and Mongolia has a special place in her heart.

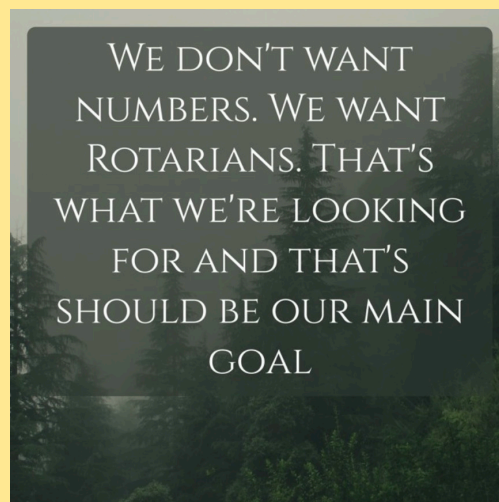

President Bonnie then shared what she learned from the District Seminars.

District Membership Seminar was on 27 July 2024. Rotary Membership is about increasing impact, extending our reach, enhancing participation and increasing our ability to adapt.

To enhance engagement for our members, there are a few things that our District shares with their Presidents:

- Rotary accommodates differences within the community for different causes
- Engagement empowers us to share our ideas and get involved
- Participation brings better experience of meeting expectations
- Adopt a member-centric approach to service
- Listen to members and adapt
- Diversify experience of service projects to make more impact

In the District DEI Seminar on 2 July 2024, Peter Wong, Deputy Chief Executive Officer of the Dialog in the Dark (HK) Foundation, had set up a “People of Differences” movement, promoting Right to Work, Right to Serve and Right to Play messages, bringing people with disabilities together to create social impact.

Olivia Wong, General Manager, Environment & Social Responsibility of MTR Corporation shared a pilot training program started in 2024 for ethnic diversity and people with disabilities to support their career development.

Our District is looking for nominations for scholarship for studying abroad under Rotary's Global Grant. Candidates planning to study abroad on Rotary's seven areas of focus. Please contact President Bonnie if you have suitable nominations.

Red box for the day was HK\$910.
