We celebrated the birthdays of PP Henry Chan and PE Lawrence Lui.

President Bonnie Yeung provided an update on membership and club affairs, noting that membership is an area needing improvement. She is seeking suggestions from our Past Presidents on how to enhance participation among current members and attract new ones.

We were seeking additional members to join the Rotary Action Groups. At the same time, preparations for the leadership training of our new Board members were in progress.

Our Club had successfully met the target for the Rotary Foundation this year, with 35 members achieving Paul Harris Fellow status or higher. We are pleased to

welcome PE Lawrence Lui, along with PP Eddy Wong, PDG Norman Lee, and President Bonnie Yeung, who have all made new Paul Harris Fellow donations. As of this date, we have 8 benefactors and 6 major donors.

Rtn Jason Chiu reported on Mental Health Awareness Day, an all-day event featuring workshops and guest speakers. This year, our Student Smart Phone Contest included an award focused on mental health. We also collaborated with The Hub to participate in an event for disabled individuals. Last year, professional photographers were hired to take pictures to inspire self-confidence, and this year, the event was transformed into a wheelchair-friendly carnival.

The Rotary Club of Niigata will celebrate its 85th Anniversary on April 22nd this year, and we are planning a short trip to attend. PP William Wong also gave update to the Osaka Expo in April. Osaka Jonan will arrange for a dinner on 12 April, a day before the opening ceremony of the Expo. Members can visit both places in one trip.

PP Bernard Lee thanked PP William for his ongoing support of the Rotaract Club of CPCE, which recently organized a cheer-up event for students during the exam period, raising awareness of Rotaract among the students. The Rotaract Club is also planning an international project to install roofs on homes in Vanuatu.

The Rotaract Club of Education Culture visited Choi Hung Tsuen and organized an event centered on Music and Mental Health. Their regular meetings have also seen good attendance from Rotaractors and guests.

Meanwhile, the Junioract Club of CCC Kei Wan Primary School (Andrich Bay) conducted a service project with Eastern Hospital, where they set up a booth with a positive theme to uplift their staff, families, and guests during their PYNEH day.

## Happy Birthday to our Splendid January Birthday Members

### Club Activities

During Christmas time, we took part in a service project with Ultimate United. Rtn Jason Chiu organized two volunteer face painters, and PP William Wong generously donated presents for the kids. The event featured games, food, singing, and plenty of quality bonding time among volunteers, kids, families, and friends.

We also attended the Christmas Concert at the Junioract Club of CCC Kei Wan Primary School (Aldrich Bay). The year 2024 for our Club concluded in a joyful and true Rotarian spirit.
