**Congratulatory Remarks from DGE Jimmy Lau**

“I wish to extend my best wishes to the Rotary Club of Hong Kong Island East. May the year ahead be filled with growth, collaboration, compassion, and countless opportunities to serve. Let us continue to embrace the spirit of Rotary - working tirelessly to uplift those around us and to be a beacon of hope in our communities.

Each project we undertake, each act of service we provide, is a meaningful step toward building a better world. Let us always remember the strength of our unity and the profound impact we can make when we work together.

As we look forward, let us be guided by this year’s Rotary International President’s theme: “United for Good.” Together, we move from stranger to stranger, overcoming challenges and building bridges to create a better world for us.”

## Incoming Remarks by President Lawrence Lui

It is with deep gratitude and a profound sense of responsibility that I accept the honour of serving as your President for the 2025–26 Rotary year. I am both humbled by your trust and energized by the extraordinary legacy of our Club.

Standing on the shoulders of those who have led with vision, passion, and integrity, I step into this role with heartfelt appreciation and a steadfast commitment to serve with purpose.

This year, we unite under Rotary International's transformative theme: "Unite for Good."

RI President Francesco Arezzo calls on us to elevate our shared mission by embracing growth, service, and meaningful connection. He reminds us that Rotary's greatest asset is not our history, our projects, or our global reach - but our members. It is the people within our movement who bring Rotary's values to life and drive lasting impact across the world.

The Rotary Club of Hong Kong Island East, proudly chartered in 1954 and sponsored by the Rotary Club of Hong Kong, has stood as a steadfast pillar of service and fellowship for over seven decades.

We have fostered youth leadership, uplifted the underserved, and built enduring bridges across generations and cultures. From humble beginnings to cross-border collaborations, our Club continues to embody Rotary's timeless motto: Service Above Self.

Together, we will carry forward our mission by deepening member engagement and strengthening the spirit of camaraderie that binds us.

United by this year's vision, we will channel our energy and resources toward the pressing needs of our community—with renewed purpose and enthusiasm. I urge every member to walk with us on this journey. Your voice, presence, and ideas will help shape the road ahead.

This coming Rotary year, my focus will be on Three core priorities:

### **1 - Sustainable Service**

We aim to create impact with long-term vision and community-centered service.

- Build partnership with businesses, nonprofits, professional groups, and academic institutions - because alone we can do great things, but together we can change the world.
- Focus our effort around Rotary's Seven Areas of Focus and our local theme: Body-Mind-Soul.
- Organize a smartphone photography competition aligned with our theme, inviting sister clubs to participate and showcase our work at the Rotary International Convention in Taipei
- Host the 4th Go Chess Competition—expanding literacy and opportunity for underprivileged youth
- Expand our Inclusive Tennis Initiative by providing more access to training opportunities
- Kick-start our Under the Same Sky Mainland China Educational service trip and involve our Rotaract club members
- Join Area 3 on a joint water project in Thailand
- Participate in district-wide efforts including End Polio and District Service Day
- Introduce two new projects focused on cross-generational well-being and supporting young single mothers

## 2 - Empowering Youth

We will deepen engagement with Junioract, Interact, and Rotaract to empower tomorrow's changemakers.

- Collaborate with four Rotaract Clubs - THEi, PolyU CPCE, Educational Culture, and Hong Kong Island East, to co-host a joint club reception and offer vocational support
- Invite participation in local and international services
- Provide mentorship and support to Holy Carpenter Secondary School's Interact Club and CCC Kei Wan Primary's Junioract Club through dedicated advisors
- Expand involvement in youth services. Youth Service Director Berard will reach out to all members to join the sub-committee

A heartfelt thanks to all who serve as club advisors to our youth affiliates. Your guidance is shaping futures

## 3 - Deepening Fellowship and Membership Growth

We will strengthen the bond between members through meaningful experiences and shared joy.

- Prioritize membership growth to form RI calls "the best-qualified team of volunteers on the planet."
- Shift every third club meeting of the month to a dinner format for greater flexibility and guest participation
- Curate a diverse speaker pool to reflect emerging trends in business and society
- Host intra-district initiatives such as the Four Clans Meeting
- Introduce monthly small-group fellowship dinners
- Celebrate our traditions through the Immediate Past President Dinner,
- Charter Night Anniversary Dinner, and our beloved Golf Fellowship (Uncles Peter Hall and John Kwok Memorial Cups)
- Reignite international connections through Sister Club visits to Taipei, Malaysia, and the Philippines
- Facilitate a China Trip to strengthen cross-border relationships

Each of us carries a story uniquely our own - and when those stories converge in fellowship and service, something extraordinary unfolds. That is the legacy we have inherited- and the one we are shaping together.

Thank you once again for the honour of serving as your President. Let us carry forward our proud history - and together, take a bold step into the future.

Thank you, and good afternoon.

— President Lawrence Lui

## Happy Birthday to our Splendid July Birthday Members

### District Installation

The Rotary District 3450 Installation event held on 12 July 2025 marked the beginning of a new Rotary year under the leadership of District Governor Cassy Cheng. Outgoing President Bonnie Yeung, Incoming President Lawrence Lui, PDG Y. K. Cheng and PDG Norman Lee were at the event.

Embracing the Rotary International theme “Unite for Good,” the event highlighted the district’s commitment to innovative growth, inclusive club models, and impactful service. A central focus was placed on holistic community development through the “Body-Mind-Soul” initiative, emphasizing family well-being and maternal and child health.
